

## SEEKING FREEDOM AND JUSTICE FOR ORGANIZED STALKING AND REMOTE ELECTRONIC ASSAULT VICTIMS

A SECRET CRIME WAVE IS SWEEPING THE UNITED STATES AND COUNTRIES ALL OVER THE WORLD. PEOPLE ARE BEING GROUP STALKED (STALKING BY ORGANIZED GROUPS OF PEOPLE) AND TARGETED WITH ELECTRONIC TECHNOLOGIES THAT REMOTELY ASSAULT THE HUMAN MIND AND BODY. THIS IS ALSO REFERRED TO AS ELECTRONIC HARASSMENT AND TORTURE. A SHORT LIST OF THE HEALTH PROBLEMS THESE WEAPONS CAN CAUSE ARE:

- MIGRAINE HEADACHES / MUSCLE CRAMPS / CANCER
- HEART ATTACK / BRAIN EMBOLISM / PARTIAL BLINDNESS
- BLURRED AND DEGENERATION OF VISION / SLEEP DEPRIVATION
- UNCONTROLLABLE JERKING OF LIMBS / MICROWAVE BURNS
- NEUROLOGICAL DAMAGE / OVERWHELMING FATIGUE
- RINGING IN THE EARS / UNCONTROLLED SEXUAL STIMULATION

THE PSYCHOLOGICAL TOLL OF THIS HUMAN RIGHTS VIOLATION IS ALSO HUGE. IMAGINE BEING UNDER CONSTANT SURVEILLANCE AND TORTURED WHEREVER YOU GO. SABOTAGE OF REPUTATION AND BELONGINGS AT HOME, WORK AND AUTOMOBILE WHILE A TARGETED PERSON IS AWAY. FAMILY LIFE IS DESTROYED. WORK PERFORMANCE IS AFFECTED. JOBS AND LIVELIHOOD ARE LOST. SOME HAVE COMMITTED SUICIDE.

WHENEVER THESE CRIMES ARE REPORTED TO LOCAL OR FEDERAL POLICE, THE VICTIM IS LABELED MENTALLY ILL. THEREFORE, THE PERPETRATORS CONTINUE FREELY WITH THEIR TORTURE CAMPAIGN ON MANY, MANY OTHERS.

WHAT CAN YOU DO? FIRST, EDUCATE YOURSELF; VISIT THE FOLLOWING WEBSITES:
